

VOLUNTEER SCULPTURE SALES ASSISTANT – ARTS ADMINISTRATION
Sculpture by the Sea, Bondi 2017

VOLUNTARY PROGRAM

We are seeking an enthusiastic and self-motivated volunteer who is keen to gain hands-on experience in arts administration with one of Australia's most dynamic arts organisations. The successful candidate will become part of the small sculpture sales team based in our Surry Hills (NSW) office working on the 21st annual *Sculpture by the Sea, Bondi* exhibition, from 19 October to 5 November 2017.

Background

Founded in 1997, *Sculpture by the Sea* is the largest free-to-the-public sculpture exhibition in the world.

Our not-for-profit organisation exhibits over 100 sculptures along the 2km Bondi coastal walk each spring, visited by over 400,000 people, and on average 95 sculptures are exhibited on Cottesloe Beach each March, with visitor numbers of around 200,000 people.

Sculpture by the Sea actively promotes the sale of sculpture through its Sculpture Sales team, and generates income for many artists in our exhibitions, with the commission earned on sculpture sales being an important contributor to the exhibition's revenue.

The Position

The Volunteer Sculpture Sales Assistant Program will offer arts administration experience to an individual interested in pursuing a career in the visual arts.

As part of a small team, working with the Sculpture Sales Coordinator and the Director Sculpture Sales, the Volunteer Sculpture Sales Assistant will be representing *Sculpture by the Sea* and specifically the Sculpture Sales team through interaction with artists, clients and other key stakeholders.

The Program will run from the start of August for a 16 week period, so that the successful candidate can be involved in the lead up to, the duration of and the wrap up of *Sculpture by the Sea, Bondi 2017*.

Volunteers will participate in the developmental stages of the curation of *Sculpture Inside*. *Sculpture Inside* is a free to the public selling indoor exhibition open daily during *Sculpture by the Sea*, exhibiting over 100 small sculptures by exhibiting and invited artists, curated and managed by the sculpture sales team.

The volunteer will work with the sculpture sales team to deliver, open and run the day to day activity of the indoor exhibition. The volunteer will work with the team to close down the exhibition and will be involved with post-exhibition sculpture sales administration. Volunteers may also be involved with projects and initiatives associated with the outdoor exhibition.

This position offers the volunteer a high level of involvement in an exciting and fast-paced atmosphere, and provides an insight into the planning and execution of staging a major public art event, with an opportunity to increase knowledge of sculpture and contemporary artists from local, national and international backgrounds.
