

# Important Updated Information for Hired School Buses / Coaches Visiting *Sculpture by the Sea*, Bondi 2016

20 October - 6 November 2016

**DO NOT** use the public bus stops (fines apply)

**DO NOT** use the public bus stops (fines apply)

Welcome to all schools who are visiting *Sculpture by the Sea* on self guided school excursions or to join our Education Program. Please read this important message regarding the bus drop off and collection point for all buses on the city bound side of Campbell Parade, Bondi Beach.

This bus drop off and collection point has been provided on Campbell Parade to make it easier for you to get to the exhibition and to ease congestion elsewhere (see map for location). It is a requirement that all schools use the designated Campbell Parade bus zone to drop off and pick up. Once dropped off buses need to find parking. **Do not use the public bus stops in the area.**

Please allow a little extra time needed to walk and enjoy the exhibition.

For any enquiries please contact Jodie Walker from Waverley Council on 9083 8414.

Visit our website for the updated Excursion Management Plan and Education resources
