

Graphic Design Intern

Sculpture by the Sea creates some of Australia's most popular events, with 500,000 visitors at the Bondi exhibition and 250,000 in Perth! We are seeking an enthusiastic and self-motivated person to come on board in the area of graphic design to assist in the lead up to next exhibition.

You'll be right at home working with:

- + InDesign – layout design
- + Illustrator – some vector image creation skills are very useful
- + Photoshop – photo retouching
- + Microsoft Office – word, excel etc.
- + Website content management systems eg. Wordpress etc.

You will possess:

- + A keen attention to detail
- + Creative flair
- + Excellent communication skills
- + Great attitude and thrive working in a team
- + Willingness to learn
- + Ability to prioritise tasks and work quickly

What we offer:

- + Experience working designing a range of printed and digital collateral
- + Varied work to add to your portfolio
- + A reference on completion of the internship

Ideally you'd work at least 2 days in our office in Surry Hills until the end of February. You will be currently studying communication design (or similar) or have recently graduated.

Send your application through to anna@sculpturebythesea.com and include:

- + Current CV
- + Cover letter
- + Some examples of your work / a link to an online portfolio to (no larger than 8MB please) to anna.harris@sculpturebythesea.com
