

Important NEW Information for Private Coaches and School Buses Visiting *Sculpture by the Sea*, Bondi

22 October - 8 November 2015

Welcome and thank you for planning your visit to *Sculpture by the Sea* by private coach or school bus. Please read this important message regarding the new bus drop off and collection point for all buses on the city bound side of Campbell Parade, Bondi Beach.

This new bus drop off and collection point has been provided on Campbell Parade to make it easier for you to get to the exhibition and to ease congestion elsewhere (see map for location). It is requested that all private coaches and school buses only use the Campbell Parade bus zone on the map to drop off and pick up and do not use the other bus stops next to the coastal walk.

Sculpture by the Sea staff will be at the Campbell Parade bus area to show you the way to the exhibition site nearby.

Please allow a little extra time needed to walk and enjoy the exhibition.

For any enquiries about the new drop off and collection point please contact Jodie Walker from Waverley Council on 9083 8414.
